

As we approach the end of 2018, I'd like to thank you, our patients, for your loyalty to our office in allowing us to be your provider of choice.

As most of you know, back in February we changed our name from DentalBug to City Dental DC. Our staff has been dedicated to making this transition as seamless as possible. We also expanded our team to include an operations manager to support our growing needs. Lori Sikra moved to Virginia from Tampa, FL, with a background in both corporate and small business management to help us with our new initiatives and growth. My Account Manager, Malina Sitowitz, has been with me since 2003 and is a vital part of our management team. Please don't hesitate to contact either of them with your concerns or questions. Together we're committed to the highest standard of customer service and dental care for you and your family.

Below are our 3 office locations to better serve you:

1221 Massachusetts Ave. NW
703 D. Street NW
955 L'Enfant Plaza, SW PR #325

Appointments can be made by calling our office at 202-628-7979 or by emailing appointment@citydentaldc.com. ***Book you're appointment soon before space becomes limited. We typically experience an increase in traffic at the end of the year due to insurance and FSA benefits being used.***

We appreciate your business and look forward to serving you and your dental needs in the near future.

Sincerely,

John Tsaknis, DDS
CEO/Founder
City Dental DC

Making the dental experience better!
